Protecting Religious Rights

The Saints can testify whether I am willing to lay down my life for my brethren. If it has been demonstrated that I have been willing to die for a "Mormon," I am bold to declare before Heaven that I am just as ready to die in defending the rights of a Presbyterian, a Baptist, or a good man of any other denomination; for the same principle which would trample upon the rights of the Latter-day Saints would trample upon the rights of the Roman Catholics, or of any other denominations who may be unpopular and too weak to defend themselves. **Teachings of the Prophet Joseph Smith, 1843–44, p.313**
