The Law

True or False	Verse	Statement
Verses 11-29		
		A member of the Church who commits murder will not be forgiven.
		You are not to teach unless you have the Spirit with you.
		We can't control who we fall in love with or not. We either are in love or not in love. It's something we can't control.
		Since non-members know about the Bible, you should concentrate your teachings there rather than the Book of Mormon.
		Stealing isn't a sin bad enough to get a person "cast out" of the church.
		Lust is a very serious sin that will lead a person away from God and the Church
		It is ok to say bad things about a person as long as you are being completely honest.
		God is the only one we are commanded to "cleave" to.
		Service and keeping the commandments show how much we love God.
		It is not a government's place to put a person to death for crimes (i.e. Capital Punishment).
Verses 30-42		
		In the consecration of property, we receive back according to our <i>needs</i> , not our <i>wants</i> .
		Everyone is to receive the same, regardless of if you work hard or not.
		It is good to know how to make your own clothes.
		Part of the reason for the Law of Consecration is to help take care of the poor.
		Once property has been consecrated to the church, it cannot be taken back.
		Clothing can be a source of pride so be careful what you wear.
		God wants us to have good personal hygiene.
		What was consecrated was only to be used to help the poor (like Fast Offerings).
Verses 43-61		
		Since everything is consecrated, we don't necessarily need to return what we borrow.
		When a righteous person dies, they do not taste the death but rather, it is sweet.
		Crying when a good person dies shows a lack of faith.
		When we obtain more than we need, it should be given to the bishop's storehouse.
		If God has decided it is the right time for a person to die, faith won't heal that person.
		Herbal medicine is a scam.
		We must pay for what we buy.
		God gives revelation when He desires it. Not when we have a question.
Verses 79-93		
		You should always rebuke a person in front of a lot of people so everyone knows not to do things like that.
		When someone has offended you, avoid talking to that person so to avoid conflict.
		If someone has committed a civil crime, church leaders should try to resolve the issue first before involving civil authorities.
