

The Law of Consecration Game

Rules: Each member of the group needs a small paper (1 inch by 1 inch) with an **X** on one side, and an **O** on the other. In each of the 10 rounds, each of the 5 members in the group will quickly place in the middle of the table, one of the two sides of their paper (**X** or **O** facing up). According to the following scoring rules, the acting bishop will write down how much each player receives or loses in points each round. Those with the most points win!

- X X X X X = Each member loses 1
- X X X X O = X wins 1, O loses 4
- X X X O O = X wins 2, O loses 3
- X X O O O = X wins 3, O loses 2
- X O O O O = X wins 4, O loses 1
- O O O O O = Everyone wins 1

Acting Bishop: _____
