<p>JS-H 1:15-20 (17-19) 17 It no sooner appeared than I found myself delivered from the enemy which held me bound. When the light rested upon me I saw two Personages, whose brightness and glory defy all description, standing above me in the air. One of them spake unto me, calling me by name and said, pointing to the other—<i>This is My Beloved Son. Hear Him!</i> 18 My object in going to inquire of the Lord was to know which of all the sects was right, that I might know which to join. . . . 19 I was answered that I must join none of them, for they were all wrong; and the Personage who addressed me said that all their creeds were an abomination in his sight; that those professors were all corrupt; that: “they draw near to me with their lips, but their hearts are far from me, they teach for doctrines the commandments of men, having a form of godliness, but they deny the power thereof.”</p>	<p style="text-align: center;"><u><i>The First Vision</i></u></p> 	<p>“_____ no sooner _____ than I _____ myself _____ from the _____ which held me _____. How to most effectively use the “5-Day-A-Week” Scripture Mastery Worksheet:

To help your students truly learn the scripture mastery scriptures, it is best that you spend a few minutes each day learning them. Most teachers have found that it is best to spotlight one Mastery passage a week. This worksheet will help you know what to do each day with that particular scripture. You can make a copy of this worksheet for each student, OR there is another worksheet where you only give the passage for that week.

In the end, this worksheet is to help you and your students with:

- Memorizing the passages
- Locating the verses by knowing the associated key words and scripture references
- Understanding the context and content of the scripture passages
- Applying the gospel principles and doctrines taught in the scripture passages

The grayed portion at the top of each page give you an idea what to do. Each seminary day you should recite the passage together, out loud as a class. The do the other instructions under “Day 1” through “Day 5”. By the end of the week your class should be ready to pass off the mastery scripture to a fellow classmate or to you.

Tips for Memorizing: Many students claim “I just can’t memorize” and schools now days do not encourage memorizing much. But those students will often succeed with some small adjustments:

- Instead of spotlighting and passing off the Scripture Masteries in order, try doing the smallest scripture masteries first. On the worksheet, to the far right of each scripture mastery you will see a number that indicates smallest to biggest. As they pass them off in order of size, you will see them gaining more confidence in their abilities to memorize.
- Make an incentive chart with students’ names listed down and the scripture mastery references the other way. As they pass off the passage, have them color in the square or put a sticker there.
- Let them have no more than two helps when passing off a memorized scripture.
